[redacted] of OCI gave a background briefing on the UAR. (See Action 1)

[redacted]

Kent gave to DCI a paper explaining certain issues which will arise at USIB this morning in connection with the annexes to the SNIE on Vietnam.

DD/S noted that a paper is circulating to all Agency components requesting nominees for the William A. Jump Memorial Award. The criteria are excellence in public administration and an age under thirty-seven.

deSilva noted that Jorgensen is coming in from Saigon and will be available to meet with the DCI on 20 or 21 December. deSilva also noted that the three-day meeting to deal with civic aspects of rural pacification in Vietnam will take place from 8 to 10 January. DD/P noted that [redacted] will also be in town. (See Action 2)

The IG reported that he will be on call for jury duty in Alexandria beginning tomorrow.

Houston reported that Representative Rivers is expected to be in his office in Washington today. No word has yet been received from Representative Mahon or Senator Russell in response to our offer to provide them with briefings.

Bross reported that he, [redacted] and [redacted] had a meeting with Secretary Vance yesterday and left a copy of the DCI's letter to the PFIAB concerning China. Vance intends to discuss this with Secretary McNamara.

Bross said he had informed Vance of the completion of a SIGINT requirements review by NIPE. Bross raised with Vance the point that there may be too many overlapping reviews of NSA.

Bross reported that General Carter at NSA intends to be out of town beginning this coming weekend until after the first of the year.

At DCI inquiry DD/S&T explained the status of current planning for OXCART deployment. DCI reminded DD/S&T of the need to ensure arrangement of budgeting for our plans. DCI also suggested that outstanding issues in need of resolution be put on the agenda for forthcoming discussion by the NRO Executive Committee.

DD/P tabled with DDCI and DCI a copy of a paper done by Governor Harriman, who had been invited by General Taylor to set forth views on the mission of the Special Group CI. DD/P recommended DDCI and DCI's approval of the Harriman paper.

DD/P reported that we have continued to advise against wide dissemination of the report being prepared by the intelligence subcommittee operating under General Taylor. DD/P alerted the DCI to the possibility that General Taylor may call the DCI on this.

Executive Director noted receipt of a letter to the DCI from CENCLANT commending the Agency for its work during the Dominican crisis. (See Action 6)

Executive Director noted a memo from John Macy to all Department and Agency Heads concerning the flexible and useful management tool provided by the salary reforms and the ability to offer or withhold in-grade promotions. Executive Director noted that the Agency's use of these provisos has not been extensive.

Executive Director described the DCI's meeting with Bureau of the Budget officials yesterday. DCI noted a need for better Agency justification of NPIC money and manpower needs.

ACTIONS:

1. DCI said he would like to get a better feel for the details and rationale of the U. S. aid program. A briefing should be broken down country by country and should show the purpose, extent, conditions, and results of our aid. (DD/I by 1 February)

2. Noting the forthcoming return of Jorgensen and [ ] DCI asks to be informed on the status of the counter-intelligence program, which he considers to be of the highest importance. (DD/P - During the course of the coming week)
